# PERSONAL RANK (PR)

Personal Rank	Requirement
<b>Bronze</b>	<b>3</b> personally enrolled active members
<b>Silver</b>	<b>6</b> personally enrolled active members <b>or</b> start with <b>quarterly subscription plan</b>
<b>Platinum</b>	<b>10</b> personally enrolled active members <b>or</b> start with <b>annual subscription plan</b>
<b>Sapphire</b>	<b>20</b> personally enrolled active members
<b>Emerald</b>	<b>50</b> personally enrolled active members
<b>Diamond</b>	<b>100</b> personally enrolled active members
<b>Double Diamond</b>	<b>200</b> personally enrolled active members

## DEPENDING ON YOUR PERSONAL GROWTH

In OGI your commissions depend on your personal growth but also on your team Growth. **Depending on your personal growth** (the number of active direct referrals you have at the end of each month) **your Personal Rank gets higher** and this means higher compensation.

Have a look at the Personal Rank table below:

### 4 factors that affect PR:

1. Core Program subscription plan
2. Number of Core programs you have activated
3. Number of personally enrolled members

# TEAM RANK (TR)

\* Enroller Tree size is the number of active members, while Enroller Tree Sales Volume is the total of all purchases from OGI (except those regarding new member registrations). These requirements are calculated by all members of your team, down to infinite depth. The Enroller Tree of each of your direct, frontline members, can only contribute up to 1/3 to your Qualification. So for Supervisor the Enroller tree of each of your directly enroller members can contribute up to 33 members or up to 1000 Sales Volume, for Manager up to 100 members or 2000 Sales Volume etc.

## DEPENDING ON YOUR TEAM GROWTH

While Personal Rank is important for your earnings, in OGI the real success is when you help others achieve success. **Team Leaders help people in their team reach higher ranks**, they achieve higher Team Ranks and this is where profits can multiply! To achieve a Team Rank you must have **at least 20 personal referrals** and meet one of the following requirements

Team Rank	Enroller Tree Size Requirement	Enroller Tree Sales Vol	Team Leaders **
<b>Affiliate Marketing Supervisor</b>	20 personal referrals 100 team size	\$3.000	---
<b>Affiliate Marketing Manager</b>	50 personal referrals 300 team size	\$7.000	3 x Supervisors
<b>Affiliate Marketing Leader</b>	100 personal referrals 1.000 team size	\$20.000	3 x Managers or 6 x Supervisors
<b>Affiliate Marketing Director</b>	200 personal referrals 3.000 team size	\$60.000	3 x Leaders or 6 x Managers or 12 x Supervisors

\*\* Team Leaders can be found in any depth, but must be under separate frontline members.

\*\*\* 20 personal referrals are required

## Affiliate Bonuses: 7 ways to get paid

# UP TO 90% PAYOUT WITH INSTANT & MONTHLY COMMISSIONS

---

At OGI, we understand that our Independent representatives are the key element of our business. When our partners succeed, then we share this success. That is why our Compensation Plan has been designed to be generously rewarding and straightforward. In OGI we have an up to 90% Payout, which has never been done in the Industry. Bonuses are either Instant or Monthly and this will really make a difference to your cash flow.

This means that for every \$100 the company earns, up to \$90 is shared among our independent representatives.

While most companies pay you weekly or monthly, the OGI All-In-One Business model pays you Instantly & Monthly, so that you can have **instant** and **residual** income. Most commissions show up in your account literally within a few minutes, so that you can use it right away.

# Matrix Bonus: 3x8 Forced Matrix Structure

OGI has a 3x8 forced Matrix Structure for the Placement of members of all its Core Programs. This means that you can have up to three members on your first level and your organization can go down eight levels deep. Another way to look at it is that you can have a maximum of 3 distributors on your 1st level, 9 on your 2nd level, 27 on your 3rd and so forth down to the 8th level.

Given the structure of the matrix, there is a limit to the number of members that can be in each level. Once a level is filled, any new member will spillover to the next available position on the next level. If the next level is also full, the new member will be placed on a level further down.

Matrix Level	You	Monthly Payment for every person in your 3x8 Matrix
1		\$1.00
2		\$1.00
3		\$1.00
4	81	\$1.00
5	243	 * <b>Bronze Personal Rank</b> is required to unlock Matrix Level 5 payments
6	729	 * <b>Silver Personal Rank</b> is required to unlock Matrix Level 6 payments
7	2187	 * <b>Platinum Personal Rank</b> is required to unlock Matrix Level 7 payments
8	6561	 * <b>Sapphire Personal Rank</b> is required to unlock Matrix Level 8 Payments

# Matching Bonus

On top of the Matrix Bonus that you can earn from your personal matrix, you also have the ability to **match up to 50% of the Matrix Bonus** earned by everyone you enroll, regardless of where they fall in your matrix.

- You get Matching Bonus only from the members you have personally enrolled and the percentage depends on your Personal Rank.
- Your Matching Bonus is directly related to the Matrix Bonus earned by your personally enrolled members. You cannot match other bonuses like Appreciation Bonus, Car Bonus etc.

**Example:** If you have the Sapphire Rank and you have personally enrolled John, and he earns \$100 from his 3x8 matrix bonus, then you also get  $40\% \times \$100 = \$40$  as Matching Bonus from John.

Personal Rank	Matching Bonus
Bronze	10%
Silver	20%
Platinum	30%
Sapphire	40%
Emerald & above	50%

# Leadership Bonus

In OGI we respect Team Leaders who maintain, train and grow a large part of our network. That's why we award them a special bonus depending on how stable and big their team is.

- **Leadership Bonuses apply to your entire Enroller Tree down to infinite depth.** They are added on top of your other bonuses when you achieve the appropriate Team Rank.
- Leadership Bonuses are interrupted ONLY in the branches of the enroller tree where you have a Leader of that same Team Rank.

Team Rank	Monthly Commission
Affiliate Marketing Supervisor (AMS)	+\$1 / member
Affiliate Marketing Manager (AMM)	+\$1 / member
Affiliate Marketing Leader (AML) and above	+\$1 / member

**Example:** Suppose you have 50 personally enrolled members, your Enroller Tree is 332 and this is structured as follows: your first leg has 130, your second 80, your third 70, 15 legs have 2 members each and your remaining 32 legs have only themselves (1 member each). You have the Emerald Personal Rank and a Qualifying Enroller tree size of 302.

- This means you qualify for the Manager Team Rank and you can get  $332 \times \$2 = \$664$ , \$1 for Supervisor and \$1 for Manager Leadership bonuses

# Car Bonus

The Car Bonus is an extra incentive for our members and that's why we have 3 of them depending on your team size. **For the Car Bonus each Enroller Tree leg can contribute up to 100 members**

	Required Personal Rank	Required Enroller Tree Size	Monthly Car Bonus
<b>Car Bonus I</b>	Sapphire	300 members	\$300
<b>Car Bonus II</b>	Sapphire	500 members	\$500
<b>Car Bonus III</b>	Sapphire	1000 members	\$1,000

**Example:** If you sponsor 4 members (A,B,C,D) and they each have the following enroller tree size A: 120, B: 80, C: 30, D:150, regardless of where they fall in your matrix, then the sum counts as follows: A:100 + B: 80 + C:30 + B: 100 = 310.

**Apart from the monthly cost of 28\$ to be part of OGI, are there any other costs?**

If you maintain a subscription of \$28 in any of OGI programs, you can purchase extra core programs in discount by paying a one-time fee. Apart from that, there is an annual maintenance cost of about \$30 for every core program you have purchased. Check section 7.1 for more details.
