TRUSSARDI

Trussardi is defined by a philosophy as the first Italian lifestyle brand, infusing modernity and irreverence into timeless elegance. Fueled by joie de vivre, the Trussardi lifestyle is progressive yet accessible – always anchored in a strong sense of community and inclusivity, as well as environmental and social responsibility.

Founded by Dante Trussardi in 1911, Trussardi began as a leather glove manufacturer in Bergamo. In the 1970s, Dante's grandson Nicola Trussardi took over the house, and implemented a lifestyle vision that made Trussardi's luxury and elegance accessible to all.

Today, the house continues to build on its Italian lifestyle heritage and its inherent spirit of iconoclasm and innovation.
